7. Rights, privileges, restrictions and conditions (if any) attaching to each class of shares and directors authority with respect to any class of shares which may be issued in series:

Droits, privilèges, restrictions et conditions, s'il y a lieu, rattachés à chaque catégorie d'actions et pouvoirs des administrateurs relatifs à chaque catégorie d'actions qui peut être émise en série:

1. Voting Rights

The holders of the Common Shares shall be entitled to one vote per share. The holders of the Preference Shares and Special Shares shall not be entitled to vote except as hereinafter expressly provided or as required by law.

2. Special Shares

(a) In any fiscal year, before there shall have been declared and paid or set aside for payment any dividend payable on the Preference Shares or Common Shares, the holders of Special Shares shall be entitled to receive and the Corporation shall pay thereon, as and when declared by the Board of Directors of the Corporation, out of the monies of the Corporation properly applicable to the payment of dividends, fixed preferential non-cumulative cash dividends at the rate fixed by the Board of Directors at the time of issuance of the Special Shares, payable on such date or dates in each fiscal year of the Corporation as may from time to time be determined by the Board of Directors; the Board of Directors shall be entitled from time to time to declare part of the said fixed preferential non-cumulative cash dividend for any fiscal year, notwithstanding that such dividend for such fiscal year shall not be declared in full; if within four (4) months after the expiration of any fiscal year of the Corporation the Board of Directors in its discretion shall not have declared the said fixed preferential non-cumulative cash dividends for such fiscal year then the rights of the holders of the Special Shares to such dividend or to any undeclared part thereof for such fiscal year shall be forever extinguished; the holders of the Special Shares shall not be entitled to any dividends other than or in excess of the fixed preferential non-cumulative cash dividends hereinbefore provided for;

(b) except with the consent in writing of the holders of all of the Special Shares outstanding, no dividends at any time shall be declared or paid on or set aside for payment on any of the Preference Shares or the Common Shares or on any shares of any other class ranking junior to the Special Shares for any fiscal year unless and until the fixed preferential non-cumulative cash dividend for such fiscal year on all of the Special Shares outstanding has been declared and paid or a sum set aside for payment thereof;

(c) in the event of the liquidation, dissolution or winding up of the Corporation or other distribution of assets of the Corporation among shareholders for the purpose of winding-up its affairs, the holders of the Special Shares shall be entitled to receive out of the assets and property of the Corporation, before any amount is paid or any property or assets of the Corporation distributed to the holders of the Preference Shares or the Common Shares or any shares of any other class ranking junior to the Special Shares, an amount equal to the

Redemption Amount (as hereinafter defined) for the Special Shares together with all declared and unpaid preferential non-cumulative cash dividends thereon (which Redemption Amount and dividends are hereinafter referred to as the "Special Share Redemption Price"); after payment to the holders of the Special Shares of the Special Share Redemption Price, the holders of such Special Shares shall not be entitled to share in any further distribution of the property or assets of the Corporation;

(d) the Corporation may at any time or times purchase (if obtainable) for cancellation all or any part of the Special Shares outstanding from time to time on the open market or by invitation for tenders addressed to all of the holders of record of the Special Shares then outstanding or (with the consent of all of the holders of Special Shares) by private contract at the lowest price or prices at which, in the opinion of the Board of Directors, such shares are obtainable, but not exceeding the Special Share Redemption Price; where, in response to any invitation for tenders, two or more shareholders submit tenders at the same price and such tenders are accepted by the Corporation as to part only of the shares offered, the Corporation shall accept part of the shares offered in each such tender in proportion as nearly as may be to the total number of shares offered in each such tender;

(e) the Corporation may, upon giving notice as hereinafter provided, redeem at any time the whole or from time to time any part of the then outstanding Special Shares on payment of the Special Share Redemption Price for each Special Share to be redeemed;

(f) in any case of redemption of Special Shares under the provisions of these Articles, the Corporation shall, at least twenty (20) days before the date specified for redemption, mail to each person who, at the date of mailing, is a registered holder of Special Shares to be redeemed a notice in writing to the intention of the Corporation to redeem such Special Shares; such notice shall be mailed in a prepaid letter addressed to each such shareholder at his or her address as it appears on the books of the Corporation or, in the event of the address of any such shareholder not so appearing, then to the last known address of such shareholder; provided, however, that accidental failure to give any such notice shall not affect the validity of any such redemption; such notice shall set out the Special Share Redemption Price and the date on which such redemption is to take place and, if part only of the Special Shares held by the person to whom such notice is addressed is to be redeemed, the number thereof so to be redeemed; on or after the date so specified for redemption, the Corporation shall pay or cause to be paid to or to the order of the registered holders of the Special Shares to be redeemed, the Special Share Redemption Price on presentation and surrender at the head office of the Corporation, or at any other place designated in such notice, of the certificate representing the Special Shares called for redemption; such Special Shares shall thereupon be redeemed; if a part only of the Special Shares represented in any certificate be redeemed, a new certificate for the balance shall be issued at the expense of the Corporation; from and after the date specified in any such notice, the Special Shares called for redemption shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Special Share Redemption Price is not made upon presentation of certificates in

accordance with the foregoing rights, in which case the rights of the holder shall remain unaffected; the Corporation shall have the right, at any time after the mailing of notice of its intention to redeem any Special Shares as aforesaid, to deposit the Special Share Redemption Price of the Special Shares so called for redemption, or of such of the shares as are represented by certificates which have not at the date of such deposit been surrendered by the holders thereof in connection with such redemption, to a special account in any chartered bank or any trust company in Canada named in such notice to be paid without interest to or to the order of the respective holders of such Special Shares called for redemption upon presentation and surrender to such bank or trust company of the certificates representing the same, and upon such deposit being made or upon the date specified for redemption in such notice, whichever is the later, the Special Shares in respect whereof such deposit shall have been made shall be redeemed and the rights of the holders thereof after such deposit or such redemption date, as the case may be, shall be limited to receiving without interest the Special Share Redemption Price so deposited against presentation and surrender of the said certificates;

(g) a registered holder of Special Shares may, upon giving notice as hereinafter provided, require the Corporation to redeem at any time the whole or from time to time any part of the outstanding Special Shares owned by him or her by payment of the Special Share Redemption Price for each Special Share to be redeemed; in the case of redemption of Special Shares under the provisions of this paragraph the holder requiring his or her shares, as the case may be, to be redeemed shall mail to the Corporation by prepaid mail or deliver to the Corporation a notice (hereinafter referred to as the "Redemption Notice") requiring the Corporation to purchase his or her Special Shares and setting out the date on which redemption is to take place and, if part only of the Special Shares held by such holder are to be redeemed, the number thereof so to be redeemed; provided that, unless the Corporation otherwise agrees, the date of redemption set forth in the Redemption Notice may not be less than thirty (30) days nor more than ninety (90) days after the date on which the Redemption Notice is mailed or delivered; on the date specified for redemption, the Corporation shall pay or cause to be paid to or to the order of the registered holder of the Special Shares to be redeemed the Special Share Redemption Price for each Special Share to be redeemed on presentation and surrender at the head office of the Corporation of certificates representing the Special Shares tendered for redemption, and such Special Shares shall thereupon be redeemed; if a part only of the Special Shares represented by any certificate be redeemed, a new certificate for the balance shall be issued at the expense of the Corporation; from and after the date specified in the Redemption Notice, the Special Shares tendered for redemption shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof, unless payment of the applicable Special Share Redemption Price shall not be made upon presentation of certificates in accordance with the provisions of this paragraph, in which case, the rights of the holders of the Special Shares which would otherwise have been redeemed shall be and remain unaffected; and

(h) (i) the Special Shares shall only be issued for the purpose of payment by the Corporation for property purchased by it; no Special Share shall be issued for

a consideration other than property;

- (ii) prior to the first time that any Special Shares are issued as consideration for the purchase of property (hereinafter referred to as the "Property"), the Board of Directors shall require that there be submitted to the Corporation a valuation prepared by the auditors or accountants of the Corporation or by an independent valuator acceptable to the Board of Directors, setting forth the fair value of the Property as at a date not more than three (3) months prior to the date on which any Special Shares are first to be issued; the Board of Directors of the Corporation shall, at the time of authorizing the first issue of Special Shares, fix a Redemption Amount for each Special Share equal to the value of the Property as set forth in such valuation divided by the number of Special Shares so authorized to be issued in payment therefor (hereinbefore and hereinafter referred to as the "Redemption Amount") and set the rate of the non-cumulative dividends payable on the Special Shares thereafter;
- (iii) the Redemption Amount for the Special Shares and the non-cumulative dividend rate established in the foregoing manner shall be the Redemption Amount and the dividend rate applicable to all Special Shares issued thereafter; and
- (iv) notwithstanding the Redemption Amount as established in the foregoing manner, in each case when Special Shares are contemplated to be issued for property the Corporation, as authorized by resolution of the Board of Directors, and the subscriber for the Special Shares so to be issued may, by written agreement made pursuant to s.85 of the *Income Tax Act (Canada)* or any other provision thereof or of any successor or similar statutory enactment, fix the amount of capital to be deemed to be paid up on the Special Shares being issued, which amount of paid up capital shall not be less than \$0.01 per Special Share nor greater than the Redemption Amount per Special Share.

3. Preference Shares

The Preference Shares shall, as a class, carry and be subject to the following preferences, rights, privileges, restrictions and conditions:

- (a) the Preference Shares may at any time and from time to time be issued in one or more series, each series to consist of such number of shares as may, before the issue thereof, be fixed by resolution of the Board of Directors of the Corporation;
- (b) the Board of Directors of the Corporation shall, by resolution duly passed before the issue of any series of Preference Shares, determine the designation, preferences, rights, privileges, restrictions, limitations, prohibitions and conditions attaching to the Preference Shares of such series, including (but without in any way limiting or restricting the generality

of the foregoing), the rate or amount of preferential dividends, the date or dates and place or places of payment thereof, the consideration and the terms and conditions of any purchase or redemption thereof (if any), conversion rights (if any), the terms and conditions of any share purchase plan or sinking fund (if any), and the restrictions (if any) respecting the payment of dividends on any shares ranking junior to the Preference Shares;

(c) the holders of Preference Shares shall be entitled to receive copies of the financial statements of the Corporation and the auditors' report thereon to be submitted to the shareholders of the Corporation at annual meetings but the holders of Preference Shares shall not be entitled as such (except as hereinafter specifically provided) to receive notice of or to attend any meeting of the shareholders of the Corporation or to vote at any such meeting, but shall, notwithstanding the foregoing, be entitled to receive notice of meetings of shareholders of the Corporation called for the purpose of authorizing the dissolution of the Corporation or the sale, lease or exchange of its undertaking or a substantial part thereof or the creation of a class of shares ranking in priority to the Preference Shares and shall be entitled to vote as a class (but only as a class) at any such meeting;

(d) (i) in the event of any distribution of assets or property of the Corporation among its shareholders as such, other than by way of dividend or by way of redemption or purchase for cancellation of Preference Shares of the Corporation whenever created, but including, without limitation, any distribution of assets or property of the Corporation resulting from any repayment of capital to shareholders upon a decrease in issued capital of the Corporation (except as aforesaid) or upon the winding up or other liquidation or dissolution of the Corporation or ratably among its shareholders as a condition precedent to the delivery of the articles of dissolution, no assets or property of the Corporation shall be distributed to the holders of any shares of the Corporation ranking junior to the Preference Shares until there has been paid to the holders of the Preference Shares an amount equal to the redemption price of such Preference Shares plus a sum equal to all unpaid dividends accrued thereon to the date of distribution (which for such purpose shall be calculated as if the dividends on the Preference Shares were accruing from day to day from the period from the expiration of the last dividend period for which any cumulative dividends have been paid in full or the right to any non-cumulative dividends has not expired or lapsed, as the case may be, up to such date of distribution); for all purposes of these provisions the redemption price of the Preference Shares shall mean the amount paid up thereon plus the premium, if any, payable on redemption of Preference Shares and shares of the Corporation ranking junior to the Preference Shares shall mean all shares of any class of shares (including Common Shares of the Corporation) ranking junior to the Preference Shares as to dividends and distribution of assets and property of the Corporation;

(ii) if upon any distribution of the assets and property of the Corporation among its shareholders, as such, the assets and property of the Corporation are

insufficient to permit payment in full to the holders of Preference Shares of the sums distributable to them as aforesaid then the entire assets and property of the Corporation to be distributed shall be distributed ratably among the holders of the Preference Shares then outstanding according to their respective rights; and

- (iii) after payment in full to the holders of Preference Shares of the redemption price and any amount of dividends distributable to them as aforesaid they shall not have the right to receive anything further in the distribution of assets and property of the Corporation and the remaining assets and property of the Corporation shall be distributed to the holders of shares of the Corporation ranking junior to the Preference Shares according to their respective rights;
- (e) no dividends shall at any time be declared or paid on or set apart for payment on any shares of the Corporation ranking junior to the Preference Shares unless all dividends up to and including the dividend payable for the last completed period for which such dividends shall be payable on each series of the Preference Shares then issued and outstanding shall have been declared and paid or set apart for payment at the date of such declaration or payment or setting apart for payment on such shares of the Corporation ranking junior to the Preference Shares; nor shall the Corporation call for redemption or purchase or decrease or otherwise pay off any of the Preference Shares (less than the total number of Preference Shares then outstanding) or any shares of the Corporation ranking junior to the Preference Shares unless all dividends up to and including the dividends payable for the last completed period for which such dividends shall be payable on each series of the Preference Shares then issued and outstanding shall have been declared and paid or set apart for payment at the date of such call for redemption, purchase, decrease or other payment;
- (f) subject to the provisions hereof and, in particular, the provision of sub-clause 3(e) hereof, and subject to the rights, privileges, restrictions, limitations, prohibitions and conditions attaching to the Preference Shares of any series and subject to any applicable provisions of the *Business Corporations Act* (Ontario), the Corporation may at any time or from time to time purchase or otherwise acquire the whole or any part of the Preference Shares (or series of Preference Shares, as the case may be):
 - (i) on the open market;
 - (ii) with the consent of all of the holders of the Preference Shares (or any series of Preference Shares, as the case may be); or
 - (iii) pursuant to tenders received by the Corporation upon request for tenders addressed to all of the holders of the shares of such Preference Shares (or any series of Preference Shares, as the case may be), the whole or any part of the Preference Shares (or series of Preference Shares, as the case may be) at the lowest price which, in the opinion of the Board of Directors, such shares are

obtainable; if any such purchase for cancellation is made by tender the Corporation shall afford to every holder of Preference Shares of the series of Preference Shares with respect to which the Corporation is desirous of purchasing shares for cancellation the opportunity of tendering such shares for purchase for cancellation as aforesaid; the Corporation shall accept only the lowest tenders; if two or more shareholders submit tenders at the same price which the Corporation is prepared to accept, but which in number are in excess of the number of shares which the Corporation is prepared to purchase for cancellation, then the shares to be purchased shall be selected by the Corporation from each such tender in proportion as nearly as may be to the total number of shares offered in such tender; and

- (g) (i) any amendment to the Articles of the Corporation to delete or vary any preference, right, condition, restriction, limitation or prohibition attaching to the Preference Shares or to create any special shares ranking in priority to or on a parity with the Preference Shares, in addition to authorization by a special resolution, shall be authorized by at least two-thirds ($2/3$) of the votes cast at a meeting of the holders of the Preference Shares duly called for that purpose;
- (ii) the formalities to be observed in respect of the giving of notice of any meeting of the holders of Preference Shares (including any meeting of the holders of any series of Preference Shares) and the conduct of any such meeting shall be those from time to time prescribed in the by-laws of the Corporation in respect of meetings of shareholders and upon every poll taken at any such meeting of the holders of Preference Shares (or adjourned meeting) each holder of Preference Shares (or any series of Preference Shares, as the case may be) shall be entitled to one (1) vote per Preference Share; provided that:
 - (A) no such meeting shall be held upon less than twenty-one (21) days' written notice, and
 - (B) if at any such meeting the holders of less than fifty per cent (50%) of the outstanding Preference Shares (or series of Preference Shares, as the case may be) are present or represented by proxy within half an hour after the time fixed for such meeting, then the meeting shall be adjourned to such date (being not more than twenty-one (21) days later) and to such time and place as may be fixed and announced by the chairman of the meeting and at least ten (10) days' written notice shall be given of such adjourned meeting (which notice may but need not specify the purpose for which the meeting was originally called); at such adjourned meeting the holders of the Preference Shares (or series of Preference Shares, as the case may be) present or represented

by proxy may transact the business for which the meeting was originally called.

4. Priority of Special Shares

The Common Shares and the Preference Shares shall be subject to the prior preferences, rights, conditions, restrictions, limitations, prohibitions attaching to the Special Shares.

5. Priority of Preference Shares

The Common Shares shall be subject to the foregoing preferences, rights, conditions, restrictions, limitations and prohibitions attaching to the Preference Shares and shall be subject to such further and additional preferences, rights, conditions, restrictions, limitations and prohibitions determined by the Board of Directors of the Corporation for each series of Preference Shares prior to the issue thereof. Subject as aforesaid the holders of Common Shares shall be entitled to receive such dividends as may from time to time be declared by the Board of Directors of the Corporation.

8. The issue, transfer or ownership of shares is/is not restricted and the restrictions (if any) are as follows: *L'émission, le transfert ou la propriété d'actions est/n'est pas restreinte. Les restrictions, s'il y a lieu, sont les suivantes:*

Transferring Shares

The transfer of shares of the Corporation shall be restricted in that no share or shares in the capital stock of the Corporation may be transferred without either:

- (a) the sanction of the Board of Directors of the Corporation expressed by a resolution passed at a meeting of the Board of Directors or by an instrument or instruments in writing signed by a majority of the Board of Directors; or
- (b) the sanction of the holders of at least 51% of the shares of the Corporation for the time being outstanding and having at such time voting rights for all purposes, evidenced by a resolution passed at a meeting of the holders of the shares of the Corporation or by an instrument or instruments in writing signed by the holders of a majority of such voting shares;

provided, however, that, if any transfer shall be entered on the books of the Corporation prior to approval thereof as aforesaid, such transfer shall, upon such approval, be deemed to have been valid from the time the transfer was initially made.

Number of Shareholders

The number of shareholders of the Corporation (exclusive of persons who are in its employment and exclusive of persons who, having been formerly in the employment of the Corporation, were while in that employment and have continued after the termination of that employment to be shareholders of the Corporation) is limited to not more than fifty (50), two or more persons who are the registered owners of one or more shares being counted as one shareholder.

No Public Offering

Any invitation to the public to subscribe for the securities of the Corporation is hereby prohibited.

Borrowing

The Board of Directors may from time to time, in such amounts and on such terms as it deems expedient, without the authorization of the shareholders of the Corporation:

- (a) borrow money upon the credit of the Corporation;
- (b) issue, reissue, sell or pledge debt obligations of the Corporation;
- (c) subject to Section 20 of the *Business Corporations Act (Ontario)*, give a guarantee on behalf of the Corporation to secure performance of an obligation of any person; and
- (d) by authentic deed or otherwise, charge, mortgage, hypothecate, pledge or otherwise create a security interest in all or any currently owned or subsequently acquired real or personal, movable or immovable property of the Corporation (including book debts, rights, powers, franchises and undertaking) to secure any debt obligations or any money borrowed or other debt or liability of the Corporation.

The Board of Directors may from time to time by resolution delegate to such one or more of the directors and/or officers of the Corporation as may be designated by the Board of Directors all or any of the powers conferred on the Board of Directors above to such extent and in such manner as the Board of Directors shall determine at the time of such delegation.

Lien on Shares

Provided that the Corporation is not an offering corporation, the Corporation shall have a lien on the shares of the Corporation registered in the name of a shareholder who is indebted to the Corporation (hereinafter called the "Indebted Shareholder") to the extent of the amount of such debt (the shares of the Corporation in respect of which any such lien exists being hereinafter called the "Encumbered Shares"). For the purpose of enforcing the foregoing lien in respect of the Encumbered Shares owned by an Indebted Shareholder, the Corporation may, upon twenty-one (21) days' prior written notice to the Indebted Shareholder:

- (a) where the Encumbered Shares are redeemable pursuant to these Articles, redeem the Encumbered Shares;
- (b) subject to the *Business Corporations Act (Ontario)*, purchase the Encumbered Shares for cancellation for a price equal to the book value thereof; or
- (c) sell by public auction or private sale any or all of the Encumbered Shares owned by such Indebted Shareholder at such price, at such time or times and upon such terms as the Corporation may deem appropriate in the circumstances.

The net proceeds of any such redemption, sale or sales (after deduction of all applicable costs of sale, including professional fees) may be applied by the Corporation in reduction of the indebtedness owed to the Corporation by such Indebted Shareholder. A certificate signed by any officer of the Corporation to the effect that the Corporation has complied with the foregoing procedures shall thereupon, without further action by the Corporation or the Indebted Shareholder, be deemed to effect a cancellation of the certificate representing the Encumbered Shares, and the Corporation may issue a new certificate or certificates to the transferee of such Encumbered Shares representing such of the Encumbered Shares which were so sold. The Indebted Shareholder shall have no claim against the Corporation other than a claim for the balance of the proceeds of redemption or sale of the Encumbered Shares, if any.

The Board of Directors of the Corporation may, if it wishes not to sell or redeem the Encumbered Shares, refuse to permit the registration of a transfer of the Encumbered Shares until the debt is paid.
